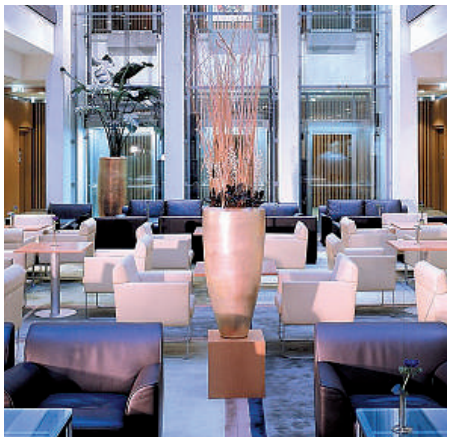
LOCATION
Berlin is a cosmopolitan metropolis, bursting with energy and continuously expanding! The Kurfürstendamm with its landmark – the Memorial Church – is the centre of City West. The boulevard unites tradition and modern age, which is reflected in the buildings from the 20's and the modern glass palaces. The Airport Tegel (4km) is easily accessible, the public transportation network is excellent and offers an alternative to taxis. The main train station, Hauptbahnhof, is located only three subway stations away. The Swissôtel Berlin is the closest deluxe hotel to the fairground, Messe Berlin.



ROOMS
Our business guests appreciate the convenience of wireless LAN, DSL Internet connection, as well as the Lavazza coffee maker in all of the hotel's 316 rooms. The guest room's design is modern, bathrooms feature a shower as well as a tub and the ironing board is ingeniously hidden behind the large wall mirror. Forgot your laptop? Use our free Internet access in the Swiss Business Corner. The 9th floor provides an even more exclusive experience. The Executive Lounge serves drinks and snacks while you can enjoy a splendid view overlooking the roofs of Berlin.

BAR & LOUNGE
The Grande Galerie is the perfect place to start the day with a croissant breakfast or enjoy small snacks in the evening and let the day wind down. It is bathed in blue light descending from the glass atrium roof and makes up the heart of the hotel lobby. After an excursion through Berlin or an exhausting workday, you can relax and enjoy the casual atmosphere at the hotel's Palermo Bar.

RESTAURANT 44
Restaurant 44 – its large window front and terrace facing the Kurfürstendamm makes it a special location for a daytime lunch and the lit up boulevard, a lovely backdrop for a special dinner. You will enjoy flavors and aromas that will set a standard for your culinary events in the future, the service compliments your meal with equal excellence. Danijel Kresovic and his team are looking forward to welcome you.

KOCHSTUDIO 44
Get ready, get set, cook! Kochstudio 44 offers innovative solutions for team-building and incentive events, closing events for conferences or customer promotions. An evening in laid back atmosphere, good food, excellent wines and, needless to say, tips and tricks revealed by chef Danijel Kresovic.
You will learn how to prepare the perfect dinner, starting out with planning your shopping to preparation, all the way to table decorations. The motto is: It's not only taking part that counts, it's the partaking that is important! We offer show cooking with Danijel Kresovic for groups of up to 20 participants. While enjoying a glass of champagne or beverage of your choice, you can take a peek over the chef's shoulder – afterwards you will partake in sampling the culinary compositions.
