LOCATION

Only 15 minutes away from Odessa International Airport, near the old town and the business centre, Swissôtel Odessa is located on the shores of the Black Sea. Historic Odessa has a Mediterranean flavour, with French and Italian architectural influences, which adds flair to Odessa's reputation as the cultural and economic centre of the Ukraine. The city was once the Russian Empire's centre for trade, as well as an intellectual and artistic centre prior to the revolution. The old city, with its wide tree-lined avenues and large open park, is ideal for exploring on your own and is also home to the large and beautiful opera house.
