

Recommended Mode of Transportation from Kansai International Airport to Swissôtel Nankai Osaka

BY RAIL

For your convenience, we would highly recommend taking the **Rapi:t Airport Express Train** of **Nankai Railway**, as our hotel is located directly above **Namba Station Terminal**, the final stop, this is the fastest, convenient and most economical mode of transportation.

Rapi:t Airport Express Train:	Fare	1,390 yen
	Travel Time	35 minutes
	* From 8:30 am to 10:30 pm – service is available every 30 minutes.	
Local Airport Express Train:	Fare	890 yen
	Travel Time	45 minutes
	* From 5:45 am to 11:30 pm – service is available.	

Rapi:t Airport Express Train

- The timetable may differ slightly depending on the day of the week.
- For precise timetable and details, please consult the Information Counter on the arrival level of Kansai International Airport.

– How to get to the Hotel from Kansai Airport Station –

1. After clearing immigration, baggage claim and customs, kindly proceed to the arrival hall.
2. Take an elevator or escalator to the 2nd level.
3. Exit the building and walk across the pedestrian deck to the opposite building.
4. Go to the ticketing counter at **Nankai Railway** and purchase a ticket for **Rapi:t Airport Express Train** to **Namba Station**, which is the final stop.
5. Upon arrival at **Namba Station**, turn right, exit via North Gate on 3F, go leftward and look for Swissôtel Nankai Osaka's sign, enter an automatic sliding door, and take two flights of escalator up to Hotel Lobby, or use the courtesy phone located on the platform for luggage assistance by our bell staff.

BY TAXI

Airport transfer by Taxi is approximately JPY13,000 per car, per trip. Travelling time is approximately 50 minutes. (please pay driver by CASH)
