

# Amsterdam Preparation Guide By swissôtel AMSTERDAM

With more bikes than people, it could get busy on the Amsterdam cycle paths. Therefore we recommend you to try some of the beautiful outer cycle paths to Volendam for example.

800.000  
bikes in  
Amsterdam.

If you are planning to take many trip by public transport during your stay, it is most cost effective to buy a loadable card. Use the trams for short trips within Amsterdam and a train for long distance trips to another city or the airport.

The historic Amsterdam canal district is part of the prestigious UNESCO world heritage list. Make sure to navigate the canals by boat, it is quite a different view from the water.

51 museums.  
Highest concentra-  
tion of museums per  
sq/mtr in the world.
