BODRUM BEACH

LOCATION

DIRECTLY ON THE WATERFRONT IN TURGUTREIS Resort Bodrum Beach. Approximately 22 kilometres from the centre of Bodrum, our two-storey hotel comprises 66 rooms and suites, each at least 40m² in size. Over 70 serviced residences ranging from 82 m² to 385 m² also complement the seaside property. For entertainment, our bars and restaurants offer ambiance as local as the produce used in their dishes. With indoor and outdoor pools and Pürovel Spa & Sport facilities, you'll have sport and leisure opportunities as inspiring as the waterfront views.

GUEST ROOMS

66 STYLISH SPACES

Our 66 spacious guest rooms and suites feature Aegean flair and contemporary Alpine style. Whether sea view, garden view, or corner suite, marble bathrooms meet modern design to make you stop, smile, and stay awhile. From comfort-engineered beds to technological conveniences, you'll have everything you've come to expect from a Swissôtel stay. Your modern, Wi-Fi friendly and tastefully decorated room offers the best of Turkish hospitality and Swiss service.

RESTAURANTS & BARS

AMBIENCE. IT'S ON THE MENU.

Three restaurants, two bars, and all-day service mean deliciousness has a new schedule: now. Whether you want to dine by the pool at Café Swiss, high in the clouds at Yûhi Restaurant, or on the beach at The Mezem Beach Restaurant, the ingredients for pure delight are on every menu. And if you can't decide based on atmosphere, certain culinary creations might call to you instead—Café Swiss serves healthy breakfasts and lunches prepared in an open kitchen, Yûhi Restaurant elevates Asian and Mediterranean gourmet, and The Mezem serves everything from freshly grilled seafood to Turkish "meze" appetizers. All dining options offer the opportunity to say, Afiyet olsun. That's Turkish for "enjoy your meal."

PÜROVEL SPA & SPORT

ALPINE VITALITY IN. REALITY OUT.

The Pürovel philosophy is derived from the origin of wellbeing. It uses nature's resources, such as stone, wood, water, flora, and pure, invigorating Alpine air to reflect the changing seasons of the Swiss mountains. Experience our Signature Pürovel Spa treatments and in-room bath products and you'll benefit from the use of organically produced Swiss essential oils. These work together with our modern sports facilities, having both been created to invigorate and vitalise in rhythm with the seasons.
