Swissôtel Dresden Am Schloss lies in the heart of the historic old town - surrounded by architecture from the late baroque period: Dresden's renowned Frauenkirche, the Semper Opera and the Zwinger Palace are just a few minutes' walk away. Across the street is the Residence Castle with the historical Green Vault, the treasure chamber of August the Great, the New Green Vault and the Turkish Chamber - the perfect place to enjoy art and history. The Neumarkt shopping centre is distinct in its wide variety of restaurants; together with the diverse selection of businesses on Prager Strasse, the area offers entertaining city life full of charm and atmosphere.

Our 235 elegantly appointed rooms and suites are impressive in their wide variety of floor plans, thanks to the historically inspired, distinctive structure of the facade. Cutting edge technology and innovative design was used to tailor the 214 Swiss Advantage rooms, 16 Grand rooms and five suites to the needs of both business and leisure travellers, and our highly attentive service ensures your stay will be ideal on all levels.

RESTAURANTS & BARS

The restaurant Esszimmer awes its guests with contemporary Swiss cuisine, adding Saxon components as well as panache, innovation and creativity. Clever and characteristic design provides a trusted & private atmosphere and the use of local, seasonal, fresh products makes Esszimmer a place of pure enjoyment. In summer, the interior courtyard invites you to take pleasure in outdoor dining. Located directly across from the Residence Castle, the stylish ambiance of the Schlossbar invites you to relax with a drink after work or meet up before taking on the town. Exciting cocktails, selected wines, regional beer specialities and superior whiskies & cognacs, as well as delicious regional and Swiss snacks make the Schlossbar the perfect place to relax. Wohnstube, the all-day patisserie with coffee & tea specialities, as well as wines & snacks, will spoil you just as much as the Bemmenzeit & z`Mittag weekend brunch.

PÜROVEL SPA & SPORT

The 535 m² wellness and fitness centre Pürovel Spa & Sport Dresden includes a gym with top-of-the-line exercise equipment, a Finnish sauna and a biosauna. The 15th century stone cellar with vaulted ceilings was incorporated into the construction of the relaxation room, for a uniquely calming and harmonising retreat. Using ecologically produced essential oils made from Alpine herbs and blossoms from mountain meadows in the Swiss Alps, all massages and treatments add vitality to your daily routine. In the four treatment rooms, we also offer facials and other cosmetic treatments. The centre's proximity to the river Elbe makes it convenient for an early morning jog along the riverbank, an extended walk or a bicycle tour.

Over 482 m² of ideal meeting space with state-of-the-art technology and a view of the Residence Castle offer stylish options for events for up to 150 participants, as well as VIP and private functions of all types for up to 300 people.
