KAMELIA

CONTEMPORARY DESIGN ON THE SHORES OF THE BLACK SEA

SWISSÔTEL SOCHI, KAMELIA

A fashionable destination on the Russian Riviera, Sochi lies on a strip of land between the Black Sea and the Caucasus Mountains. Our new beach resort, Swissôtel Sochi, will benefit from both the warm climate and the proximity of Krasnaya Polyana, the renowned ski area that has snow until June – which means you can relax in the warm sun on our private beach one day and go skiing the next. Our new resort is perfectly located, just 23 km from the airport and 5 km from the train station. The 2014 Winter Olympic and Paralympic Games will be held in Sochi, and from then on the city will also host the Russian Formula 1 Grand Prix.
