REWARDS

How do you reward a job well done?

FAIRMONT LE MONTREUX PALACE, SWITZERLAND

RAFFLES HOTEL LE ROYAL, PHNOM PENH, CAMBODIA

Elegantly packaged

Presented in an elegant gift certificate format, Ovation Rewards include hotel accommodation, with breakfast, applicable taxes and gratuities, for two. They can be purchased in multiples of one-night stays and are superbly flexible—which benefits both the employer and the recipient. There are several room categories and locations to choose from in each of our four hotel collections, each reflecting a different price threshold and level of recognition.

Once the reward is issued, we handle the guest’s entire hotel itinerary through a dedicated reservations line. Ovation Reward stays are accepted to the last room available in the room category purchased, and are free of blackout dates.*
