### **About Swissôtel Hotels & Resorts**

Swissôtel Hotels & Resorts got its start in Switzerland, a country known for big mountains and equally high standards of living. Its contemporary Swiss style and locally inspired flair attracts business and leisure travellers who enjoy high-end hotels but prefer fresh innovation to stale pretension. Conveniently located where travellers want to be, Swissôtel provides guests with the opportunity to stay in the heart of city centres worldwide where access to business and shopping districts are right around the corner. Swissôtel properties can be found in over 30 well-located properties around the world, with many more in development. As guests of the world, every Swissôtel upholds Swiss sustainability standards. In fact, Swissôtel has a mission: to treat guests, team members, and the environment with equal respect. Swissôtel is part of FRHI Hotels & Resorts, a leading global hotel company with over 110 hotels under the Raffles, Fairmont, and Swissôtel brands. But no matter how international Swissôtel becomes, just like the country it was founded in, it remains a small hotel at heart.
