INTRODUCTION

Located just 15 minutes from Mariscal Sucre International Airport, Swissôtel Quito overlooks Cotopaxi and Pichincha Volcanoes. Our hotel stands in the most prestigious and safest area of the Ecuadorian capital, close to excellent shopping and the busy financial district. While Quito is just 22 kilometers from the Equator, it enjoys a mild climate, more like the spring in England than the tropics, the weather is ideal for touring and we will be happy to arrange a group excursion to see the amazing colonial Quito or the quaint markets and charming haciendas of the local countryside.
