FACE CARE

EXPRESS-INTENSIVE FACIAL HYDRATION

30 min / 3,500 rub

Mini-care to fill the skin with moisture and restore elasticity.

EXPRESS-CARE FOR THE EYE CONTOUR

30 min / 2,500 rub

Mini-care with hyaluronic patches removes signs of fatigue, smoothes wrinkles and reduces swelling.

EXPRESS-CARE WITH ALGINATE MASK

30 min / 4,000 rub

Mini-care with alginate mask is focused on deep skin regeneration and light lifting.

FACE MASSAGE

30 min / 3,500 rub

60 min / 5,000 rub

Increases skin elasticity and firmness, improves blood microcirculation, slows down age-related changes, eliminates swelling of soft tissues and tones facial muscles, aligning the facial oval.

INTRACEUTICALS OXYGEN REJUVENATION

60 min / 10,900 rub

Under the pressure of concentrated oxygen deep skin layers are filled with rejuvenating cocktails enriched with beneficial substances: hyaluronic acid, multivitamin complex and peptides. The cocktails are individually selected by a cosmetologist according to the skin type.

“ATOXYLENE” SERUM ADDITIONAL USE

30 min / 3,500 rub

The serum is designed for effective treatment of expression lines.

CITY LIFE

60 min / 7,500 rub

A procedure created for residents of metropolises. Due to deep cleansing and gentle facial massage, the skin becomes fresher and more revitalised, while the oxygen serum saturates the skin and covers it with invisible protection.

GLOBAL REJUVENATION

80 min / 8,500 rub

A unique treatment that includes a total relaxation program: a wax mask with a patented rejuvenating complex and special massage techniques. This treatment has a powerful antioxidant and smoothing effect.

FLAWLESS SKIN

60 min / 7,100 rub

A procedure that focuses on the care of combined and oily skin. The use of active components of a kaolin mask and oxygen serum creates an invisible protective barrier for the skin and a feeling of freshness and renewal.

DEEP CLEANSING

100 min / 7,800 rub

A multi-step procedure that cleanses pores, renews skin and smoothes skin texture. A traumatic cleansing that helps the skin to "breathe".

SILK SMOOTHNESS

60 min / 7,500 rub

The combination of soft scrub and rich sea balm returns a feeling of comfort and moisture to the skin.

MINERAL BODY PEELING

40 min / 3,500 rub

A scrub with natural sea salt crystals gently polishes and cleanses the skin, saturating it with microelements and stimulating cellular renewal.

SPA BODY WRAPS

THALASSO BODY WRAP

60 min / 7,700 rub

- Mineral sea whirlpool bath
- Seaweed wrap
- Hydrating treatment

A seaweed wrap procedure based on natural micronized algae saturates the skin with sea minerals and microelements and creates a powerful detox effect.

NOURISHING MARINE RECOVERY

60 min / 5,800 rub

A deep body wrap based on rich, nourishing sea balm intensely moisturizes the skin and creates a long-lasting feeling of comfort and balance.

HARDWARE TECHNIQUES

ENDOSPHERES THERAPY

60 min / 5,000 rub

The method is based on microvibration and compression technology aimed at eliminating the signs of cellulite. Models new shapes, removes excess fat and stabilizes blood flow in the body.

PRESSOTHERAPY

60 min / 4,900 rub

A treatment for intensive removal of excess fluid from the body and stimulation of metabolic processes. Creates a modeling effect in combination with a lipolytic wrap.
